

# Manufacturing

Imagine what your profit and production outcomes could be if you were free from the hassles of HR, benefits, and payroll

## Keep your business moving with G&A Partners

Manufacturing organizations face many challenges to have operations run smoothly - but HR doesn't have to be one of them. When you outsource your HR functions with G&A Partners, you access a full team of experts to help manage everything from payroll and benefits, to recruitment services and compliance help.

**We provide full-service, HR solutions backed by certified experts and best-in-class technology.**

### Our services include:

#### Workplace Safety

- Workers' compensation coverage (low EMR) and claims management
- Written safety manual, accident prevention training
- Full consultation and assistance with OSHA compliance

#### Talent Acquisition

- Assistance sourcing skilled labor to more quickly fill open positions
- Access to affordable plans from top-tier carriers to create a competitive benefits package

#### HR Consulting

- Development and implementation of HR policies
- Guidance on employee relations and retention issues
- Expert support complying with federal, state, and local labor laws

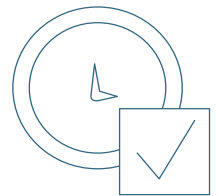

#### Employee Management

- Access to best-in-class HR technology applications, including time tracking, payroll administration, onboarding, and applicant tracking
- Guidance on employee relations and retention

## We'll handle your HR so you keep production on track.

Here are just some of the benefits companies experience when they partner with G&A:

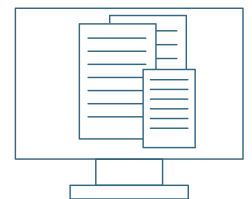

**Accurate overtime, PTO, and sick leave tracking**

**Fortune 500-level benefits at affordable rates**

**Robust payroll reporting, like job costing and exportable GLs**
